

Emergency Plan - Old City Market

Weather and Emergency Monitoring:

Local weather and news apps will be monitored throughout the duration of the Market to be aware of any upcoming events.

Medical Emergency:

The on-site police officers are to be notified of the medical emergency first, followed by one of the Market Coordinators.

Missing Person Emergency:

Announcements of missing person(s) will be made via the police loudspeaker located towards the west end of the Market.

Evacuation Plan:

If evacuation is necessary, people will be notified of the emergency message listed below via the police loudspeaker located towards the west end of the Market.

Emergency Message:

Attention. In the event of an emergency requiring an evacuation, please seek shelter in one of the following businesses nearest you: Jackson Terminal, Robin Easter Design or Dogwood Arts. Please follow any instructions once you have entered the building and remain in that location until the warning has been lifted and you receive further instruction.
